

The Copas Family 50th Anniversary at Remenham Farm 1977 – 2027

The Copas family have been at Remenham Farm since 1977, when we poured our first Pimms at the Barn Bar!

We are home to the Start and first half of the Henley Royal Regatta course on the Berkshire bank, host and sponsor Henley Women's Regatta, and provide facilities for Henley Masters Regatta.

2027 marks the 50th year of our family's proud association with rowing, and in celebration we hope to develop our relationship with rowing still further – by launching a new initiative – Remenham Farm Rowing Partnership.

We are inviting a select number of rowing clubs to partner with us in 2027 and beyond, and share opportunities, experiences and benefits.

Partner Club Benefits

- Access to the Henley course for pre-Regatta training sessions
- Complimentary parking for competitors during HRR and HWR
- Discounted parking for alumni during HRR & HWR.
- A dedicated riverside enclosure during HRR for meeting up, BYO BBQs and unbeatable views of course at the Half Point
- Discounted camping during HRR & HWR
- Free Reserved Tables at the Barn Bar during HRR
- Discounts at The Barn Bar during HRR

Partner Club Costs

- £ None!
- Communication with us, and other club partners to organise access, schedule training camps etc
- Coordinate ticketing within your club, to use the benefits of free parking, discounts etc
- Communication and organisation with us to set up club gazebos & branding on the regatta course, access for BBQs etc

Remenham Farm Partnership Enclosures provided for our partner clubs at the half way point during HRR.

Our family genuinely value the opportunities presented to us by the rowing world we have become involved in, since originally buying Remenham Farm to grow potatoes, back in 1977!

Over the next 50 years, we want to ensure that our offering at Remenham Farm during all regattas on the Henley stretch includes facilities that meet and support the requirements of the rowing community. They are your regattas after all!

We hope our partner clubs in this new initiative can help us achieve this aim and our family legacy at Remenham Farm.
